

## Cookie Policy

### What Are Cookies

A cookie is a small text file which is stored by the user's browser. The cookie only contains data, not code, so it can't contain a virus or spyware. This doesn't mean that all cookies are harmless in intent, but they can only ever store information.

### Cookies We Use

The website only uses one cookie which is the *craftsessionid* cookie. This is used to store general information about how the website is being used.

### Cookies We Set

- **Form related cookies**

When you submit data through a form such as those found on contact pages or recruitment applications. Cookies may be set to remember your user details for future correspondence.

### Third Party Cookies

- The website has a payment gateway securely connected to Worldpay (UK) Ltd. Your details are stored securely by Worldpay (UK) Ltd when a transaction is completed. Johns of Nottingham do not hold any payment information when using the website. Please see the link to the Worldpay (UK) Ltd Cookie Policy for more information: <https://www.worldpay.com/uk/worldpay-cookies>
- The website uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how the website is being used and ways we can improve the users experience. These cookies may track things such as how long you spend on the website and the pages that you visit, so that we can continue to produce content that is more beneficial for users. For more information on Google Analytics Cookies, please click the following link: <https://support.google.com/analytics/answer/6004245>
- We also use social media buttons and/or plugins on the website that allow you to connect with your social network in various ways. For these to work, the following social media sites including: [www.facebook.com](http://www.facebook.com) and [www.instagram.com](http://www.instagram.com) will set cookies through our site, which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective policies. Please click the links below to see their respective sites: <https://www.facebook.com/privacy/explanation> and <https://help.instagram.com/155833707900388>

### Disabling Cookies

- You can prevent the setting of cookies by adjusting the settings on your browser. (This will of course vary on different browsers, but every browser has the ability to disable cookies). Be aware that disabling cookies will affect the functionality of the website. Disabling cookies will usually result in also disabling certain functionality and features of the website. Therefore, it is recommended that you do not disable cookies.

However, if you are looking for further information on how we use cookies or have any other questions. Please do not hesitate to contact us at: [sales@johnsofnottingham.co.uk](mailto:sales@johnsofnottingham.co.uk) and we will be happy to answer any questions.
